My recent trip with Trips n Tales to Thailand was an absolute delight! After a long time, I finally ventured abroad, and I couldn't have asked for a better experience. The meticulously planned and flawlessly executed itinerary ensured we made the most of our time in Thailand. Our trip buddy, Aditi, was a gem! From the moment we landed, she greeted us with warmth, making us feel at home throughout the journey. Her friendly demeanor and local expertise enriched our adventure.

Aditi's fantastic food and place recommendations added a delicious and authentic touch to the trip, making the experience even more wholesome. Whether it was exploring hidden gems or savoring local delights, we were left with unforgettable memories. Without a doubt, I highly recommend Trips n Tales for your travel plans, whether you're going solo or with friends. They truly made this trip exceptional, and I can't wait to embark on another adventure with them!

We went on the Thailand trip with Team TNT. Highlight of the whole itinerary was the Khao Sok National Park. It was just beautiful! MUST VISIT! I don't think there is any other group which includes Khao Sok in their itinerary. Loved staying in Tree houses as well. Overall, the whole trip was a memorable experience.

I went on trip to Thailand from 24 Nov - 30 Nov with TripsNTales team, And Hands down Its the best trip of my life. We initially booked another travel company which had phi-phi, krabi and Phuket in their itinerary, Luckily, After few days we found TripsNTales itinerary on Instagram recommendations. The itinerary was so unique and it was a combination of both party hard places and peaceful places and it covered offbeat and famous places of Thailand, we instantly rescheduled all our bookings to match TripsNTales dates. And it was one of the best decisions I ever took. It was a mix of everything, we partied till 3 am in Phuket walking street, we jammed under the stars of a very secluded and peaceful Khao sok national park. I've seen that combination of stars after so long, that actually made me recall many beautiful childhood memories. Coming to the stays, I cannot stop talking about how beautiful and aesthetic all the stays were. Floating hut, riverfront treehouse are one of an experience. I couldn't find a single itinerary which included Khao Sok National Park, And it is a must visit place. All thanks to TripsNTales.

Finally, About the trip lead ShuBOOM, Thanks for dancing with me for stupid reel, Thanks for taking care of us, Thanks for giving koflets for my sore throat. See you soon.

PS: I'll never stop calling you ShuBOOM
