I had a fabulous experience on my trip to Vietnam with Trips N Tales. They have very careful curated iternary which gives you a wholesome experience. We were able to the cover all of the most famous and serene places, it was very well managed, stays were very nice and closer to the main city spots so we could just walk around and explore by ourselves as well. It was a good mix of planned activities and exploration time which I love when going in group trips. I met one of the coolest person, Aditi, also the trip buddy for this trip. She was there at all times and we had so much fun together. Lastly, I was never expecting to meet people who are now such close friends. Each and every person had such unique background and experiences to share and we all kept chatting late night by the beach. Loved the entire trip and experience. Definitely recommend them to everyone.

All the best guys!

Booking another trip soon.

My review goes for the trip I had to Vietnam. I was a solo traveler who joined this trip. I can say from day 1 to the last day of the trip there was not a single time I felt i have traveled solo. We were a group of 15 people who connected so easily and quickly. I have enjoyed every minute. The highlight of my trip was Hoi An. It is a beautiful place one should visit in Vietnam. Overall every day was well planned and organised. All the activities were well organized. The stays were quite good too. It was a mix of nightlife, adventures, sightseeing, exploration, trying out local cuisines, befriending the locals. All in all it was great! I highly recommend tnt for Vietnam!

Awesome experience in Vietnam trip in August 2023 (8 days). The itinerary covered the prime and beautiful places to visit in Vietnam, and was well executed. Trip buddy, Aditi was always helpful and drove all planned activities and travel arrangements timely and efficiently. Stays booked were nice and comfortable too. Had great time meeting and making memories with the fellow travellers I met on this trip. Bana Hills Fantasy Park rides and Halong Bay cruise were the best highlights for me.

Will definitely recommend TnT to my friends for their next trip.
