TRAVEL SOLO NOT ALONE WITH OUR SOLO-TO-SOCIAL TRAVEL SYSTEM

Every unforgettable trip starts with one decision.

To stop waiting.

Waiting for friends.

Waiting for matching leaves.

Waiting for someone to finally say, "Let's book it."

That's why we created our Solo-to-Social Travel System—
designed to help you go from travelling solo to feeling like
you're exploring the world with people you've known for years.

You Start Solo

The only person you need to convince is
yourself.

No chasing friends.

No cancelled plans.

No putting your dream destination on hold
because nobody else is ready.

We don't plan destinations from our
laptops—we plan them from the
destination itself. Every itinerary is built
on firsthand experience, so instead of
spending 30 hours on researching, you can
simply show up and enjoy the journey.

Let's be honest—everyone has the same
question.

"What if I don't vibe with the group?"

That's why every traveller goes through our
"Right Fit Vibe Check" before joining a trip—
bringing together people with similar
energy, interests, and travel styles, so
strangers feel a little less like strangers from
day one.

You're not flying all the way there just to
recreate someone else's Instagram feed.

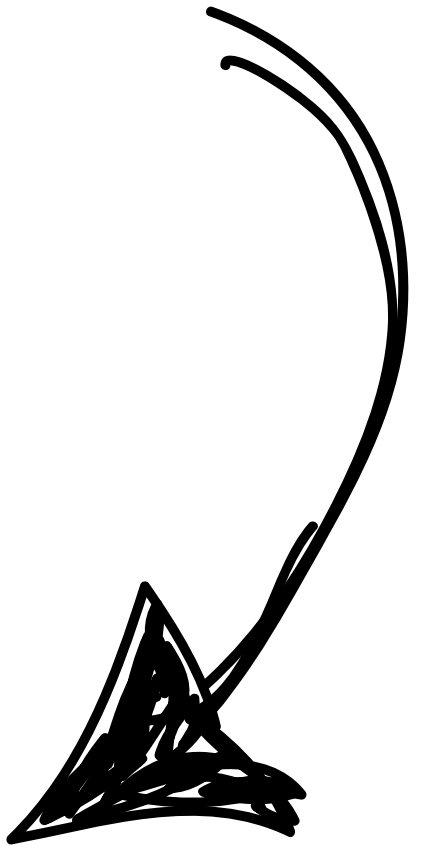

We blend iconic sights with authentic local
experiences, hidden gems, and just the right
amount of "me time" to create stories that
are uniquely yours.

Because the best journeys don't just take you to new places. They
introduce you to new people—and a new version of yourself.
Start solo. Find your people. Return with stories for a lifetime.

This has been my second trip with trips n tales. I did turkey with them. The trip was filled with lot of activities and varied experiences and landscape at each place. The itinerary pretty much sums up everything that you must do in Turkey. My highlight of the trip was turkish night and suluada island. Staying in cave hotel in Cappadocia is an experience in itself. And of course you meet amazing co travelers and locals on the trip which is the cherry on the cake.

My trip to turkey was great. Here is my feedback for each place:

Istanbul:

- the city has a great vibe. The hotel was at the perfect location with all tourist attractions at walking distance. -Activities covered in Istanbul like pub crawl, walking tour, bosphorus cruise were good. It would be better if we had a local guide for visiting balat.
- The hotel can give better breakfast if we are leaving early morning.

Cappadocia:

- Turkish night was the best. Great food and great cultural experience and lot of entertainment.
- Enjoyed both atv and horse tour as it covered different locations.
- cave hotel was lovely.

Overall Cappadocia was great.

- can have hotels to check out late.

Antalya:

Overnight bus journey was not as uncomfortable as I thought. We reached on time. Got check in within 2 hours after reaching.

- location of hotel was good but the hotel could be better. The staff was not very cooperative.
- pamukkale is overrated but if you are going to turkey once then might as well do it. Food at pamukkale could be better.
- suluada Island Boat Party was amazing. Loved the blue water and had a blast dancing on the boat.
